Hi Brenda, Here is the graphic you should use. Sorry for delay in responding. I will be very busy with FL soon, so please, if you can go through Dolores as she will be sure to get you what you need for discussion for this grant/cooperative agreement. Thanks, Kathy

Subject: Checking in about sharing/discussing the Assumption Flowchart on Monday project call

Hi there, Kathy -

I am writing to inquire whether EPA is okay with me sharing and discussing EPA's "Flowchart: CWA Section 404(g) Approval Process" document during our upcoming call. Just for discussion, not external distribution. We would like to look at it as part of an eventual set of information to post on our website and to share in our final project webinar, but know it may be revised with the release of the new rule this fall. Please let me know your thought. I would like to bring it into the discussion if at all possible.

Brenda
